INTERNATIONAL DEFENCE & SECURITY
EXHIBITION, SPAIN

Madrid. Spain

12, 13 and 14 May 2025

Sponsorship Programme FEINDEF 25

Organized by

With the institutional support of

FEINDEF 25

The Spanish International Defence and Security Exhibition, **FEINDEF**, organised by the **Fundación Feindef**, is the only exhibition in the sector with the **backing of the Ministry of Defence**.

FEINDEF 25 is designed to serve as the primary platform for **showcasing the capabilities of our Defence industry and our armed forces**, with the goal of strengthening our global influence. This exhibition covers the five **main areas of land, sea, air, space and cyberspace**, providing an unparalleled opportunity for networking.

FEINDEF 25 provides an optimal platform for collaboration between **countries, universities and companies in the Defence and Security sector**. The event is designed to facilitate internationalisation, enhance capacity building and stimulate investment in the supply chain. Furthermore, it facilitates the **collective advancement of the most innovative industry**.

Take part in this distinctive event, where strategic partnerships are formed and the most recent developments in global defence and security are explored.

FEINDEF will hold its 4th Edition on **12, 13 and 14 May 2025** with the incorporation of an additional hall and a total surface area of 50,000 m².

International Projection

In our **firm commitment to international projection**, we focus our efforts on attracting a greater number of foreign companies and delegations at each edition, providing a solid platform for the expansion of our industry within and beyond our borders, and turning FEINDEF into the leading international meeting point in the sector.

Conferences and Activities

Through cycles of **conferences, workshops and round tables** led by leading experts and authorities, FEINDEF 25 will address the latest trends in crucial areas such as cyberdefence and cybersecurity, the circular economy, energy efficiency and sustainability, smart logistics bases, disruptive technologies and the **essential role of women in the Defence and Security industry**.

Innova for Def & Sec

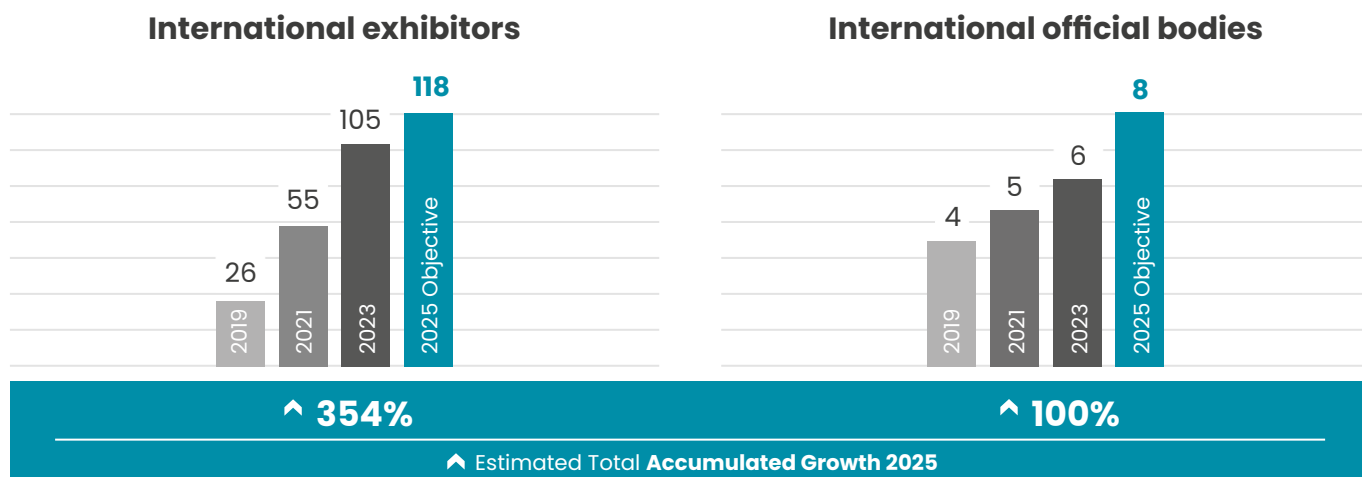

The defence industry is distinguished by its **unwavering dedication to innovation, which serves as its core purpose** and drives the advancement of our country and the creation of employment opportunities.
