

## **The International Defence and Security Exhibition of Spain has doubled the size of its exhibition area, further solidifying its position as one of Europe's major defence events**

- Madrid will host the most ambitious International Defence and Security Exhibition of Spain (FEINDEF) in May 2025.
- A fourth exclusive hall has been added, with more than 5,900 m<sup>2</sup> dedicated to the exhibition of advanced military technology systems and cutting-edge equipment.

**Madrid, 12 February 2025.** FEINDEF 25, the 4th **International Defence and Security Exhibition of Spain**, has become one of Europe's leading events in the sector. The upcoming exhibition, scheduled to take place in Madrid on 12, 13 and 14 May, will mark a significant leap forward as the exhibition doubles its exhibition area, expanding from 40,000 to over 60,500 square metres.

With this expansion, FEINDEF 25 is set to be its most ambitious exhibition yet further solidifying its role as a strategic meeting point for companies, institutions, and international delegations. Its growth highlights the success of previous editions and strengthens its position as a key platform for advancing technological innovation in the sector.

### **Introduction of an Exclusive Static Exhibition Hall**

To meet growing demand, the organisers of FEINDEF 25 have expanded the exhibition area with a new hall dedicated exclusively to static displays. This area will showcase advanced military technology systems, cutting-edge equipment, and innovations in cybersecurity, artificial intelligence and logistics. Additionally, attendees will have the opportunity to know first-hand different land, naval, and air platforms, command and control systems, as well as advancements in sustainability and technological duality applied to defence and security.

With this expansion, the exhibition will offer a **total of 5,900 m<sup>2</sup> of exhibition area**, marking an increase of 4,020 m<sup>2</sup> compared to previous years. With four halls, the exhibition has doubled its available area compared to the previous year, providing a larger platform for innovation and development in the industry. This growth not only means more space, but also an increase in exhibitors and opportunities. FEINDEF 25 will gather an increased number of companies, institutions, and international delegations, reinforcing its role as a key platform for cooperation and technological progress in the defence sector.

### **An Exhibition with Global Reach**

Within just three editions, FEINDEF has established itself as one of the most important strategic forums for the global defence and security industry. The 2025 exhibition reaffirms its commitment

to delivering a comprehensive experience, featuring more stands, technological solutions, and cutting-edge developments that showcase the dynamism and innovative capabilities of Spanish industry.

With this approach, FEINDEF not only strengthens its position on the global stage but also catalyses international collaboration; it also fosters strategic alliances and the development of joint solutions that will shape the future of defence and global security.
