Application submission

Any company that fulfils the requirements requested in this edition and wishes to participate in the "INNOVA FOR DEF&SEC" STARTUPS AREA at FEINDEF 2023 must submit its application by way of this document. The FEINDEF Foundation, as the event organiser, will select from all the applications received those which, in its opinion, best adapt to the characteristics and objectives defined for this edition, and will communicate this in due time and form to those selected by sending the document "CONFIRMATION OF PARTICIPATION IN THE 'INNOVA FOR DEF&SEC' STARTUPS AREA AT FEINDEF 2023" which must be returned completed in order to formalise the registration.

Data protection

We inform you that the personal data you provide are collected by the FEINDEF Foundation as the data controller, for the purpose of facilitating your participation in these regulations. You may also consent to their use in order to receive information about events or initiatives organised by the FEINDEF Foundation.

The data collected are those included in this application form and will be processed in accordance with the provisions of current regulations on the protection of personal data, Regulation (EU) 2016/679 of 27 April 2016 (GDPR), as well as current Spanish legislation on the subject, Organic Law 3/2018 of 5 December on the Protection of Personal Data and guarantee of digital rights, and Law 1/1982 on civil protection, the right to honour, personal and family privacy and the right to one's own image.

The categories of data which will be processed are:

- Identifying data: name, surname(s), tax ID number, contact phone number and e-mail addresses.

The FEINDEF Foundation only collects the personal information necessary to fulfil a specific purpose. The information shall not be used for any purpose other than that which has been described or authorised.

Personal data may be communicated to public authorities and bodies in order to comply with a legal obligation required of the FEINDEF Foundation. No international transfers of data are foreseen.

Personal data will not be disclosed to third parties without the prior consent of the data subjects.

The data will be processed for as long as the authorisations deriving from participation in this programme remain in force; notwithstanding the foregoing, they will be deleted once the programme has ended and, where appropriate, the corresponding prizes have been awarded, and will be retained exclusively:

- a. During the period of limitation of the actions derived from said relations, for the sole purpose of complying with the required legal obligations, and for the formulation, exercise or defence of claims.
- b. The e-mail address and phone number will be kept for the purpose of informing you about future events or initiatives organised by the FEINDEF Foundation.
- c. Programme participants and those attending the different events held within the framework of this edition of FEINDEF'23, grant the FEINDEF Foundation exclusive and free use of their personal image, which may be captured during their participation or attendance at these events, without limitation or restriction of any kind.

To exercise your rights, please do so in writing to Fundación FEINDEF Paseo de las Delicias, 20 - 7ª Planta 28045 Madrid, Spain or send an e-mail to secretaria@fundacion-feindef.org

If you require more information regarding your rights under the Law and how to exercise them, we recommend that you contact the Spanish Data Protection Agency, which is the supervisory authority for data protection and the authority to which you can lodge a complaint.
